## **Community Foundation of Marshall County 2018 Grant Information**

The 2018 grant application for the Community Foundation of Marshall County (CFMC) will be available November 15th on CFMC's website, [www.cfmarshallco.org](http://www.cfmarshallco.org), and our Facebook page, [www.facebook.com/cfmarshallco](https://www.facebook.com/cfmarshallco).

Last year, the CFMC granted over \$100,000 to more than 30 projects in Marshall County, and has granted over \$1 million in our 12 year history. In 2018, we will again be granting over \$100,000, and are excited to announce a new grant category, our "Major Impact" grant award. We will be selecting one project for a grant award of up to \$20,000. We will also be awarding many of our traditional "Community Grants" of up to \$7,500.

For those seeking the "Major Impact" grant, the "Intent to Apply" form (available November 15) is due electronically by noon on Friday, December 15th. The board of CFMC will choose up to three projects and have those organizations fill out a complete application and present to the board at our January board meeting.

For those seeking a traditional "Community Grant", the application is due electronically by noon on Monday, January 15th. For more information on the Major Grant opportunity and general questions on our 2018 grant application, we encourage you to attend CFMC's "Lunch and Learn" at the Marshalltown Public Library on Friday, December 1st at noon. You can also email us at [cfmarshallco@gmail.com](mailto:cfmarshallco@gmail.com) or call (641) 758-3028.

The Community Foundation of Marshall County exists to improve the quality of life in Marshall County by building charitable endowments and by addressing critical needs of our communities in partnership with nonprofit organizations and donors.
